**Who is a+a training?**

a+a training is an international health education company who specialises in providing professional, well organised, client focused training sessions on topics needed when working in the health care industry. a+a training (Australia) is the Australian arm.

Our courses are open to individuals looking for new skills or updating existing qualifications. We also cater for groups, and deliver training on site.

a+a training can provide you with a modern and clinically relevant approach to learning. We provide professional instructors who have excellent teaching skills and most importantly actively work across the health care industry. Our instructors include practicing registered nurses from all areas of health care, midwives, paramedics, general practitioners and emergency physicians.

Call us for your educational needs, we cater for all types of training no matter what needs to be taught.

*First class,  
 first choice!*

# Advanced Life Support Level 2

Two Days = 16 CNE Points (RCNA)

## What is the Advanced Life Support Level 2:

This internationally recognised 2 day course focuses on the developing advanced skills in managing cardiac arrest and other medical emergencies. While the course covers advanced resuscitation skills it is also designed to develop leadership and team skills in managing such emergencies.

## Who is it for:

ALS L2 is ideally suited for health care professionals who work in critical care, rural/remote locations or as a resuscitation team leader.

## Course Content:

- Causes and prevention of Cardiac Arrest
- Acute Coronary Syndromes
- ALS Universal Algorithm
- Rhythm Recognition
- Airway Management
- Defibrillation
- Blood Gases
- Emergency Drugs
- Cardiac Arrest Simulations
- Post-resuscitation Care

This Active Learning Module has been approved by the RACGP QA&CPD Program. TOTAL POINTS: 40 (Category 1) + Emergency Medicine grant eligibility.

## International Recognised:

Our ALS course is accredited by the Australian Resuscitation Council and UK Resuscitation Council.

Participants are eligible to gain education points through Royal College of Nursing Australia (RCNA), Royal Australian College of General Practitioners and Australian College of Remote Rural Medicine (ACRRM).

This activity has been endorsed by APEC number 07050939 as authorised by Royal College of Nursing, Australia according to approved criteria

## Cancellations

1. Cancellations received greater than 28 days prior to the course will be refunded 100%.
2. Cancellations due to illness, supported by a medical certificate will be refunded in full.
3. Cancellations received between 8 – 14 days prior to the event will be refunded 60%.
4. Cancellations received 5-7 days prior to course will be refunded 25%.
5. Cancellation received 1-5 days prior or on the day of the course will forfeit all costs and will not receive a refund.
6. A refund will not be granted if a participant fails to attend the course
7. Full payment is required on registration.
8. a+a training reserves the right to cancel planned courses, even at short notice.
9. In the event of cancellation, all paid course fees will be refunded. This precludes any other claims.
