Who is A&A Training?

A&A Training is an international health education company who specialises in providing professional, well organised, client focused training sessions on topics needed when working in the health care industry. A&A Training (Australia) is the Australian arm.

Our courses are open to individuals looking for new skills or updating existing qualifications. We also cater for groups, and deliver training on site.

A&A Training can provide you with a modern and clinically relevant approach to learning. We provide professional instructors who have excellent teaching skills and most importantly actively work across the health care industry. Our instructors include practicing registered nurses from all areas of health care, midwives, paramedics, general practitioners and emergency physicians.

Call us for your educational needs, we cater for all types of training no matter what needs to be taught.

*First class,
first choice!*

For a list of other courses we run, or to organise tailor made training to suit your needs, call **1300 88 47 38** or visit us at www.aatl.com
