

# Help your career get better. Become an a+a instructor.

Do you have teaching or training experience?  
Are you practicing at a senior clinical level?  
Do you hold post registration qualifications?

**Nurses, Doctors and Allied Health Professionals  
needed on an ad hoc basis across Australia.**

We're looking for applicants to teach one (or more) subjects, such as ILS, ALS, Medical Emergency Team training, Trauma Care Infection Control, and Manual Handling, as well as clinical skills and remote, rural and primary care topics.

**a+a Training offers:**

- Prompt, excellent rates of pay
- Flexible working hours
- Rewarding work
- A reputation second to none
- Working as part of a friendly team

Email your CV with a covering letter to [info@aatl.com](mailto:info@aatl.com) or call us for more information.
